## **LAST WEEK**

**LAST WEEK'S SPEAKER: HOLLY RANNEY**, who along with her husband, founded Sunshine on a Ranney Day which is a non profit based in Atlanta. They specialize in home makeovers for children with long-term illnesses and special needs. They specialize in wheelchair accessible bathroom, in-home therapy rooms, dream bedroom makeovers and other ADA modifications. This is free to the recipients but they have to qualify through a vetting process and once approved by the board the project starts. At completion of the project the recipients get their first look at the finished project, and the responses have been very emotional and over whelming to all involved. ## **OPTIMIST CREED.....Promise Yourself.....**

- To be so strong that nothing can disturb your peace of mind.***
- To talk health, happiness, and prosperity to every person you meet.***
- To make all your friends feel that there is something in them.***
- To look at the sunny side of everything and make your optimism come true.***
- To think only for the best, to work only for the best, and to expect only the best.***
- To be just as enthusiastic about the success of others as you are about your own.***
- To forget the mistakes of the past and press on to the greater achievements of the future.***
- To wear a cheerful countenance at all times and give every living creature you meet a smile.***
- To give so much time to the improvement of yourself that you have no time to criticize others.***
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.***
