LAST WEEK

LAST WEEK'S SPEAKER:

This was our first week in the new location – the Dorothy Benson Center. All those in attendance at last week's meeting at the Dorothy Benson Center were very impressed with the facility. Coffee is complimentary, and breakfast is optional and is served at the conclusion of the meeting at 8:30. There were several different items on the food menu, and the cost is only \$2.00! What a deal. When entering the center parking is available around to the left and back of the main entrance. Our room was acoustically excellent, private, and offered comfortable seating and a flexibility to make changes. Please attend next week and bring a friend.

The meeting went very well and Gwen talked about building a club within a club, and she has several prospective members from her work that are young professionals. Her goal is to have the club with fifteen members completed in the month of June. Also, if anyone knows a teacher that might be interested in becoming a member of this new club let Gwen know. We are working on a date for our Friday luncheon meeting as well as a location TBA.

“Happiness comes out of the capacity to feel deeply, to enjoy simply, to think freely, to risk life, and to be needed.”

“It's hard to do nothing because you never know when you're done.”

“Time is too slow for those who fear, too long for those who grieve, too short for those who rejoice; but for those who love, time is eternity.”
