### **OPTIMIST CREED.....*Promise Yourself.....***

- To be so strong that nothing can disturb your peace of mind.***
- To talk health, happiness, and prosperity to every person you meet.***
- To make all your friends feel that there is something in them.***
- To look at the sunny side of everything and make your optimism come true.***
- To think only for the best, to work only for the best, and to expect only the best.***
- To be just as enthusiastic about the success of others as you are about your own.***
- To forget the mistakes of the past and press on to the greater achievements of the future.***
- To wear a cheerful countenance at all times and give every living creature you meet a smile.***
- To give so much time to the improvement of yourself that you have no time to criticize others.***
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.***
